# Thank You!

Thank you to everyone who joined us and took part in HR-Tech Network Summit 2020. We are honoured to have such excellent speakers, sponsors, exhibitors, attendees, and partners support the Retail-Tech Network Summit.

On 18 Sep, at HR-Tech Network Summit, over 400 attendees gathered together for networking, learning, and innovation, as we explored where Tech is set to take us in 2020 and beyond. 400 delegates from the world of IT heard subjects including: AI, Cloud, Data, People and many more..

Connections were made through facilitated meetings in a networking break, which had its own dedicated zone for meetings, as well as the more informal interactions during breaks.

Work has already started on another event where we plan to expand the content, giving you the opportunity for more interaction. We expect more exhibitors and more attendees so make sure you visit our website.
