POST EVENT REPORT

Fintech Network

One Day Online Summit.
10 OCT 2020

Thank You!

Thank you to everyone who joined us and took part in FinTech Network Summit 2020. We are honoured to have such excellent speakers, sponsors, exhibitors, attendees, and partners support the FinTech Network Summit.

On 10 OCT, at FINTech Network Summit, over 900 attendees gathered together for networking, learning, and innovation, as we explored where Tech is set to take us in 2020 and beyond. 900 delegates from the world of IT heard subjects including: AI, Cloud, Neobanking, Payment and many more..

Connections were made through facilitated meetings in a networking break, which had its own dedicated zone for meetings, as well as the more informal interactions during breaks.

Work has already started on another event where we plan to expand the content, giving you the opportunity for more interaction. We expect more exhibitors and more attendees so make sure you visit our website.
